**STAR GAZERS**  
find inspiration in a clear sky  
full of **STARS\***

\* "clear sky" -- a natural phenomenon not often seen in New York; its existence is accepted based on reports from non-natives.

Some people even believe their destinies are controlled by the stars.

And even though it's barely singable, we Americans are always stirred by hearing the

**STAR-SPANGLED  
BANNER.**

While we're waving our star-studded flags as we celebrate freedom, we wanted to let you know about a very special star—

**JESUS,**

the Jewish Messiah, who came to give us spiritual liberty!

The Jewish Bible talks about him:

"A star will come out of Jacob; a scepter will rise out of Israel."  
(Numbers 24:17)

His arrival was announced by another star:

After they had heard the King, they went on their way, and the star they had seen in the east went ahead of them until it stopped over the place where the Child was. (Matthew 2:9-10)

Since he is descended from Abraham, Isaac and Jacob—not to mention King David—that makes him the ultimate

**JEWISH  
STAR!**

Y'shua Chai!

Y'shua is a star not because he lit up the silver screen, but because he lights our way on the path of life. He gives us liberty from darkness. (He even gives some people freedom from thinking that their lives are controlled by the stars.)

★ Now that's a star worth waving a flag about!

"I, **JESUS**... am the ROOT and the OFFSPRING of David, and the bright MORNING STAR!"  
(Revelation 22:16)
